

COMPANY HR POLICY

Employee Leave Policy

Employees are eligible for annual leave according to company policy. Leave requests must be submitted through the internal HR system. Employees should obtain manager approval before taking planned leave.

Performance Review Policy

Employee performance reviews are conducted annually. Performance evaluations consider individual goals, project delivery, technical contribution, teamwork, and overall performance.

Employee Benefits

Employees may be eligible for benefits based on their employment category and company policy. Employees should contact the HR department for questions regarding benefits and eligibility.

Expense Reimbursement

Business-related expenses must be submitted with supporting documentation. Employees should submit reimbursement requests through the approved internal finance process.

HR Support

Employees can contact the HR department for questions regarding leave, performance reviews, benefits, employment policies, and workplace procedures.

Finance Support

Finance-related questions and reimbursement issues should be directed to the Finance department.
